

Mp3 Rambling Bones - Watching & Waiting

[DOWNLOAD HERE](#)

Rambling Bones plays folk music with African, Punk and Jazz influences. 10 MP3 Songs in this album (30:38) ! Related styles: FOLK: Alternative Folk, FOLK: Modern Folk People who are interested in Bob Dylan Jack Johnson should consider this download. Details: From Johannesburg, South Africa, Cocktail Records presents Rambling Bones. Rambling Bones like to ramble, and when he is rambling he likes to creates tunes in his head. Late at night when he returns from his trips, and sits under the stars and rests, Rambling Bones takes out the his guitar and plays these songs. With his stripped down acoustic songs, skillful arrangements and soulful lyrics, Rambling Bones is a good friend for any journey. Rambling Bones is the alter ego of frontman Jay Bones from ska punkers band Fuzigish. This is a mellow acoustic album best served on the rocks!
