----- Authors Summary: As you know, you cannot make the maximum amount of product sales by promoting something all by yourself. You see, you clearly need salespeople giving you the helping hand you need. So you need affiliates and people to promote your product to increase the amount of income as much as possible. Giving your affiliates the necessary tools to promote your product is a must. Emails, Solo Ads, are great, but what will help your affiliates gain the trust with their prospects to promote your product? Content! One of many methods of giving your affiliates a jump start in their promotions is to provide them with a content packed brandable report. Brandable report? Yes, a brandable report that you can give to your affiliates to promote. Now you may be asking these questions as you are thinking about Brandable Reports.. How can my affiliates brand the PDF and earn commissions? How do I spread the Brandable report using Viral Marketing? How do I build my list quickly? How do I build my affiliate army quickly? Well if these questions have been going through your mind then this video series will show you how to take your report, ebook, or document; and how to make it brandable and profitable for your affiliates to increase their sales...which then increase your sales. Not only that, you can take it one step further and combine it with the power of Viral Marketing. This video series is packed with quick shortcuts that will save you time, with high quality and detailed methods that youll be able to use for years to come. Here are the six videos.. 1) Introduction - The Right Software Tools - 05:39 Creating Brandable reports is actually quite easy. In this video, youll get a brief overview of the video series, what you need to know beforehand, and lets not forget...what tools we will be using to accomplish this task. 2) How to add Re-brandable tags to your report, document, etc - 09:01 Different branding software may be slightly different, but for the most part they use similar tagging methods. While we will be using one type of brander, you can apply this concept to other types of branders of your choice.

You'll learn how to create basic tags, up to more complex hyperlinked tags such as affiliate links, etc. 3) Convert the report into a correct PDF format - 03:23 Did you know that there are different types of PDF files? Well, there are and if you create your PDF in a specific way, some branders will not be able to fully make a PDF brandable. No worries though; you will be pointed to a free software to help you create the correct PDF files for this particular purpose of branding. 4) Making the Tagged PDF Report Brandable Ready for Distribution - 02:49 So once you have created the PDF file, you still need to make the PDF compatible to the software brander. In this video you'll learn how to do just that, and to make the PDF report or document ready for your affiliates and report sellers to start branding. 5) Viral Marketing: Build Your list and Affiliate Army - 08:39 Viral Marketing is a powerful type of marketing that if done correctly, will allow you to spread your product, in this case, your report very rapidly. You will learn several methods and several websites you can apply these methods at, to help give you a jump start to spreading your report like wildfire. By spreading your report rapidly, you will be able to build your list and affiliate army for years to come. 6) Video For Report Receivers: How to Re-Brand the PDF report - 02:33 After you create your brandable report or document, you will need to tell those who want to brand your report how to do just that. You can feel free to give this video to them. In fact, by giving this particular special video to them, you will lessen your support and they will be able to brand your report quickly and easily.
