Details: Can haunting music be inspirational and melodic? It can when the music is from The Tribes of Terra. With a combination of traditional and electronic instruments, world rhythms and melodies, The Tribes of Terra speaks with an array of deep textured soundscapes, vocals, bass and percussion. Tribes of Terra composer/bassist Jeffrey Erik Mack lends his influences to African, Indian, Celtic and Middle Eastern music as well as his love for Prog. " I have always tried to compose atmospheric, groove oriented music for inspiration or healing. Music is the most powerful force in the universe. It's textures and sonic elixers are of our creator and is at the root of what is divine and good. Music can soothe your ailment as well as bring walls down. It is the golden key to happiness in the world. For it is the link to every woman, man and child's heart." Whether you are looking for meditation, ambient, world, power pilates/power yoga or progressive new age music, The Tribes of Terra will enchant your needs.
