Humorous, well written songs about Scuba Diving and the things that go along with Island Trips. 10 MP3 Songs

WORLD: Island, **POP:** California Pop

Details: Eric Stone grew up near Beaumont, Texas. At age 21, he moved to the beaches of Florida where he performed with the band "Eric Stone The Risk" for several years until moving to the Hawaiian Islands. Eric now resides in Destin, FL. He has established his own publishing and record company, Boatsongs Music, and is sponsored by Latitudes Attitudes Magazine, Sunsail Charters and Scuba Radio. Eric is the official entertainer for the Sail America Boatshows and for the past five years has entertained guests at Strictly Sail Chicago, Miami, St. Pete, Atlantic City, Oakland and at the Ft. Lauderdale Boatshow. If you have a special event, big or small that calls for Island Style-Party Music, i.e. luaus, weddings yacht club functions, marina parties, grand openings, conventions or any event where Tropical Music is needed, then you need Eric Stone. Eric performs a wide variety of music, including Bob Marley and Jimmy Buffett and mixes in his own tropical originals and other cover tunes that can fit any style party. Book him today for your next event. You'll be glad you did.
