Details: TIRSHATHA has been involved in many aspects of ministry. She began as a choir member at age 8, and later directed a youth choir for over 6 years. She preached her first sermon at age 13. During her teenage years, she became a youth leader and mentor and maintained this for over 7 years. She served as a musician for a church in Miami and began moving in the area of prophetic deliverance.

TIRSHATHA received a strong natural and spiritual foundation from parents, James Susie Wright. She was raised in a Pentecostal church, Soul Saving Station, in Miami, Florida. After attending Christian International Network's Prophetic School of Ministry, and because of her love for people and to see the people of God set free, Sabaoth Restoration Ministries was birthed. Understanding that change is a process, her love and compassion extends to those who need to be changed through the transforming power of God's love. As God matures her in the area of prophetic worship, intercession, and as a teacher of God's Word, she will touch the lives of many more. She holds a prophetic youth camp in Miami, FL during the summer months and also trains musicians to flow prophetically... This is what others have said about the CD..... This CD is awesome. It is truly a blessing and gift to the body of Christ. Pastor Pembroke Pines, FL It is anointed, awesome, and has a variety. I can't decide which one I like best, Transform Me, Deeper Place, or Fresh Oil. I'm gonna let this seep through the walls. Gladys I played it all night. It's awesome. James, Associate Pastor, Miami, FL I think the CD is highly anointed. I really like that intercession you had on it. Joyce, Miami, FL Intercessory Leader
