THE instructional hand drum CD -- featuring 30 of the most popular Middle Eastern Rhythms used in music and dance today. Audio quality, presentation, etc., every aspect meant to exceed any other project of its kind. 33 MP3 Songs SPOKEN WORD: Instructional, WORLD: Middle East Details: On this hand drum CD, T. Roy clearly demonstrates how to play 30 of the most popular Middle Eastern Rhythms used in music and dance today. His "say it / play it" approach makes learning these ancient rhythms simple and fun. Included in the inset of this CD are the written and spoken phrases for each rhythm. The "cheat-sheet" inset, depicting each rhythm in plain-sentence, spoken verse (not musical notation or some strange code), along with the spoken-word only track of ALL the rhythms (for ease of memorization in the car etc.), are by themselves worth the price of this CD. Simply put, this project is a "must have" for all serious hand drummers and dancers. A drummer practically since birth, T. Roy plays the drum-set and hand drums of all sorts. He performs and records with various musicians, artists, and dancers in almost every style of music. To hear T. Roy's work on the drum-kit, check out Lunar Stew Trio here at [cdbaby.com](http://cdbaby.com)
