Electronic/experimental pop with shadows 13 MP3 Songs ELECTRONIC: Experimental, POP: with Electronic Production Details: This is our remix album of, !Traffico! cdbaby.com/cd/viasatellite In addition to the remixes, there are new tracks by via satellite and an enhanced cd containing video games and video from traffico. (maya whitman) ----- With a sound both delicate and expansive, digital and analog, the three piece Via Satellite craft experimental pop songs by means of guitar, drum, laptop, sampler, and keyboard. Forming in San Diego, California, the band's penchant for mood and melody was quickly received by the city's music scene, earning them radio play, album/show reviews through mainstream and independent press and receiving awards and nominations in both the 2001 and 2002 San Diego Music Awards. Opening for bands such as The New Pornographers, No Knife, David J., The Fruit Bats, Stereo Total, The Incredible Moses Leroy and more, as well as members active involvement in the Album Leaf on national Sigur Ros and headlining Album Leaf tours, the group has been busy performing and touring themselves to support the release of both "We Heart Music" a split EP with indie rock group Goodbye, Blue Monday, as well as a new album of Via Satellite remixes from various artists called "re:Public". Drawing elements of indie rock, ambient, and electronic music into their repertoire, Via Satellite creates an original sound full of dark melody, brooding wonder, and subtle lullaby...
