Dean's Vol 3 is all Slap Bass Loops and contains: Slap bass and ambient slap bass grooves played by journeyman bass player Dean Cortez. Tempos range from 60-144 bpm and include a wide range of keys. These are super funky with a bit of rock and jazzy flavors. One folder is ambient (with FX) and one folder is without FX. The files that have FX were played with the FX on while playing and not added after to allow Dean to use the feel of the FX while playing. Each lick is unique. There is no duplication of one file with and one without FX. All loops are completely acidized with the keys set. The tempos and keys are noted in the files, so you can easily and quickly find the appropriate tempo and key to use in your song. To order the loops on disc as 16 or 24 bit files or to hear lots of samples for each disc please visit playinmusic.com
