Anyone stepping into a club in the last two years has certainly thrown them bows to the crunk stylings of Lil Jon & The East Side Boyz. The Atlanta-based trio of Lil Jon, Big Sam and Lil Bo unleashed the gold-certified Put Yo Hood Up album in 2001, which spawned the smash singles "Bia Bia" (with Ludacris, Too \$hort, Big Kap and Chyna White) and the title track (whose rambunctious remix featured Jadakiss and Petey Pablo). Torchbearers to the hip-hop movement known as "crunk", with its signature rowdy choruses and block-rocking beats, Lil Jon & The East Side Boyz return with their fourth, and best, album to date. Simply put, Kings Of Crunk (which features Jadakiss, Mystikal, Petey Pablo, UGK, 8Ball, Krayzie Bone, Pastor Troy, MJG and E-40, among others) will take crunk music from a regional sensation to a national phenomenon. These sounds were recorded and designed by professional engineers using Pro Tools for the best sample quality available. These samples have been processed with Waves processing tools and SSL compressors for more impact and presence in your musical creations. Many drum libraries tend to have overused fx, have digital distortion and lack clarity as well as the natural sounds that some of our favorite producers have come to use. Our samples are carefully picked, recorded, and fully analyzed to ensure that they are clear of these faults and have more live sounding feel which is credited to the drum sets, sound modules, and samplers which are widely used by award winning producers. You will notice the difference once you apply these sounds to your musical works and you will not regret it.
