Prime Loops are extremely proud to present one of their hottest releases to date: Minimal and Twisted House Drum Loops. Drawing inspiration from around the worlds most prestigious bars, beaches and nightclubs, this masterful infusion of over 130 underground drumbeats forcefully tears down the boundaries of modern dance music to the core. Minimal Techno from Berlin, Twisted beats from Miami, Dark House music from London and Rhythmic grooves from Brazil all come together to bring you one awe inspiring album of twisted filth! Prepare to be utterly revolted yet ultimately fascinated by this collection of construction grooves, drum loops, top loops and percussion, which will help you to bring your productions into focus with the next generation house music. Inside you will find a variety of grooves and rhythmic styles, including warm organic rolling drums that make your feet tap uncontrollably, to floor filling minimal grooves, intricately crafted complex beats and sporadic patterns that give you that spine-tingling chemical rush of techno satisfaction! Verging on Minimal, flirting with Electro, sparring with House and dicing with Techno, this pack has been inspired by many genres.all of which have been chewed up and spat out into a big lump of rebellion! Whether your style is dark and ambient or downright dirty, this sound suite will have you itching to get in the studio and begin your next masterpiece. Minimal & Twisted House Drum Loops was created by the same artist responsible for the best selling Minimal Synthesis, and has been developed with todays producer in mind. Each drum loop is provided with an identical loop minus the bass drum, should you wish to drop it out for a few bars or add an entirely different kick altogether, and the more complex loops have been split up into 3 or 4 parts, so that you can build up or drop them out as you please. We hope you enjoy using these samples, and if you are looking for something different. but be warned: your productions may never be the same again! You can find this release in a large number of other special formats on our website including: Ableton Live Pack (179mb) Acid Loops (202mb) Akai MPC (283mb) Apple Loops (203mb) FL Studio (202mb) Garageband (203mb) Reason Refill (334mb) Rex2 Loops (162mb) Stylus RMX Loops (162mb) and many, many more! primeloops.com
