

# Tape Saturated Drum Machine Samples

[DOWNLOAD HERE](#)

Weve cranked up the volume (and destroyed a few Tape Saturation units along the way!) in this monster collection of over 1,000+ handmade, supersized drum machine sounds for producers looking for a drum sample collection that will happily punch you in the face! But this collection is no joking matter, having suffered multiple levels of abuse in its creation, from analogue tape distortion to relentless bit-crunching, Drum Damage is a unique and powerful sample pack with an attitude; and when unleashed will wreak havoc non-stop, all the way to the clubs. Inside, you will find earth shaking beefy kicks, maximum redux cowbells, ripping crashes, tearing fx, cutting hi-hats, distorted percussions, gutted rides, stomach wrenching snares, bit-crushed sticks and furious shakers. A great deal of time and effort went into the making of the 1,000+ sounds here, all of which were painstakingly created from the ground up on countless analogue synthesizers, and then forced through numerous effects units and pedals for a highly original sound that simply cannot be found anywhere else. If you are a producer of electronic music, we are confident that this superior collection will provide you with a new level of production. Drum Damage is highly flexible, and its razor sharp teeth are ready to sink into any musical style you throw at it. You can find this release in a large number of other special formats on our website including: .AIFF Samples (131mb) Ableton Live Pack (119mb) Acid Samples (131mb) Akai MPC (160mb) FL Studio (131mb) Garageband (131mb) Reason Refill (88mb) and many, many more!
