If You Are Not Building A List With The Traffic On Your Websites You Are Missing Out On A Huge Opportunity Shockingly, Most People Don't Even Know How Easy And Profitable It Is To Start Making Money From List Building Today. Let Me Cut To The Chase Here, If You Follow These Simple Steps And Start Experimenting With List Building, You Will See Your Profits Explode, As You Gain A True Asset To Your Business. I will take you by the hand and show you step-by-step everything you need to know about setting up and list so you can start making the most of your web traffic today. It's really that simple. From the desk of: Paul Mihai Pavel & Timm Miller Dear Friend, List building is a very popular topic amongst internet marketers, and there is a very good reason for this....it works! Building a list allows you to stop missing out on sales, as you will have the ability to market to people again and again. The benefits are ten-fold. I want you to understand something. This is within your reach Let me show you just how easy it is. Introducing List Building Explosion: The Video Series Don't be intimidated by the phrase "List Building", it really isn't as hard as it sounds. In fact my videos make setting up and running your first list as simple as tying your shoes! It is not hard to run a successful list building campaign, as long as you know what you are doing. Allow me to give you the benefit of my expertise and experience. I've sold countless products online, and have learned through my successes and failures what works. I created this video series specifically to help people learn the right way to practice list building. I don't want to see you wasting your time doing things the wrong way, that is why I created this video training series. This is not going to be one of those guides where I try to upsell you on a lot of "extra" services. In fact, I will show you how to setup an autoresponder in the cheapest way possible. This Video Series Features: - A Collection of 23 Professionally Recorded Videos-This complete video series will teach you everything you need to know about list building - The Advantages of Building a List- Before you actually start building your first list, I want you to understand the advantages, so you can use them to their fullest extent. - How to Choose an Autoresponder Service- Having an autoresponder is a crucial aspect of list building, and a huge timesaver. I will show you the best choices out there. - How To Create a New Autoresponder- I will show you everything you need to know to get your first autoresponder up and running, including a

detailed discussion of all the options available to you. - How to Place Your Autoresponder Form on Your Website- Watch me over my shoulder as I place my autoresponder form on a website (You will also receive a template that is all ready for your autoresponder). - How to Create and Send Out Emails to Your List- I will show you how easy it is to create and "queue" emails for your list, so it can run on autopilot. - How to Track and Monitor Your Statistics and Sales- Tracking your emails and sales is extremely important, so you can understand which ones are performing the best. I will show you how to do it. - Invaluable List Communication Tips- I will show you the five most important things you need to know to run a profitable email list campaign. - The Importance of "Bait"- I will show you how important "bait" is, and how to create your own to start getting list signups today. - How to Create an Effective Squeeze Page- I will show you what goes into an effective squeeze page (you will receive a squeeze page template, all ready for your autoresponder). List Building Explosion will show you how to master list building, and start driving profitable traffic and sales to your website and affiliate products today... Since I know it's 100 to your benefit to act right away, I want to sweeten the pot and give you every possible reason to say YES today! If you respond immediately, you'll also receive the following: Bonus #1: "List Building Explosion" Guide Value \$27 This 20 page book is jam-packed with tons of great information on how to create and maintain a list. It supplements the videos. Bonus #2: Matching WordPress Theme in 5 different layouts and 4 page widths (850px, 900px, 950px, 1000px) for a total of 20 themes You can use these themes on any blog!
