1. cPanel Basics Videos cPanel is currently the most popular & user-friendly control panel for web hosting accounts, period! However, most newbies do not have a clue on how to use them. It could take you hours trying to figure out how to use the features. But instead of knocking yourself out trying to search with just the right learning tools, you can now have an entire collection of my hard-hitting online video tutorials for your, ready at your beck and call.

2. Internet Marketing Basics Videos Do you know that when youre starting out on an Internet business, you will come across A LOT of new challenges that are RARELY being told by most people? Step-by-step guides are a good way to start and that really cut down on your learning curves. However, Most marketing manuals teach you WHAT to do instead of showing you How To Do I have heard the same questions over and over again from many newbies on how to setup their online business. Things like... How do I register a domain name? What the heck is DNS and how do I change them? How do I register a web hosting account and get my site set up? How do I install popups on my website? How can I let customers automatically download my product? How do I set up an autoresponder? How do I process my orders? How do I setup my order links? How can I upload files to my webpage? You simply cannot setup a business on the Internet without knowing these and other basics steps. So, I decided that I was going to put together a series of online videos to help newbies cut their learning curve drastically and eventually get their own Internet business up and running a whole lot faster and easier.

3. Blogging Made Easy With Wordpress Suppose you could learn detailed step-by-step video tutorials on how to get your own Wordpress blog installed and running on your server. Sounds too good to be true? Well, it isnt if you have the right learning tools & step-by-step video tutorials. It could take you many days and weeks and can even cost you a small fortune to figure out just the right combinations to make that installation and setup work - while others fall flat on their face. But instead of knocking yourself out trying to come up with just

the right learning tools, you can now have an entire collection of my hard-hitting online video tutorials for your, ready at your beck and call.

4. Installation of CGI & PHP Scripts Video Tutorials Suppose you could learn detailed step-by-step video tutorials on how to install your own CGI & PHP scripts on your server. Imagine a scenario where you can permanently STOP paying hefty fees to get your scripts installed. You could be saving between \$50 - \$200 worth of installation fees for every script that you want installed. Sounds too good to be true? Well, it isn't if you have the right learning tools, detailed step-by-step video tutorials. It could take you years and can cost you a small fortune to figure out just the right combinations to make that installation works - while others fall flat on their face. But instead of knocking yourself out trying to come up with just the right learning tools, you can now have an entire collection of my hard-hitting online video tutorials for your, ready at your beck and call.

5. Mini-Site Made Easy With FrontPage Creating a website from scratch is one of the most difficult tasks that you might encounter when trying to make a living online. You can either start learning by reading hard-to-read manuals and ebooks or even hire a website designer who commands a very high fee to get your website created. But now all those are just a thing of the past. I've assembled a series of coaching video tutorials that show you every single step in my minisite creation. And - it doesn't matter if you've never created a web page before, I'll show you every single step from scratch.

6. List Building Basics Videos Suppose you could learn detailed step-by-step video tutorials on how to create your own profitable list. And you've probably heard the phrase the money is in the list. Without doubt, having a mailing list of your own is a goldmine. You can make money-on-demand anytime you want by sending a one simple email to all your subscribers. But it could take you years and can cost you a small fortune to figure out how to do that. So instead of knocking yourself out trying to come up with just the right learning tools, you can now have an entire collection of my hard-hitting online video tutorials for your, ready at your beck and call.

7. e-Book Mastery Videos Suppose you could learn detailed step-by-step video tutorials on how to create your own e-Books. Sounds too good to be true? Well, it isn't if you have the right learning tools & step-by-step video tutorials. It could take you many days and weeks and can even cost you a small fortune to figure out just the right combinations to create them - while others fall flat on their face. But instead of knocking yourself out trying to come up with just the right learning tools, you can now have an entire collection of my hard-hitting online video tutorials for your, ready at your beck and call.
