Ready for some serious R&B beatsmith talent? Once again, Prime Loops have not spared any time or effort - and are extremely proud to present to you YOUR very first, personal "R&B Beat Programmer"! Download this comprehensive selection of over 170 perfectly prepared rhythm patterns and beats, drop them straight into your sequencer, and you're all set to lay down the overdubs. At Prime Loops we know that if you totally nail the beat, your compositions will be free to fly up the charts, so there's a ready-made groove here at every tempo from 61 to 120bpm, giving you tons of world class beat material! Each loop in this selection comes with alternate versions for fills or verse/chorus switch-ups, so you truly have everything you need to complete your project, to ensure tailor-made compatibility with any vibe you've got going. "R&B Beat Programmer" has been authored by Prime Loops' latest signing, highly skilled beat freak and producer Nahuel Lescano. Nahuel has a high-end setup to die for, and he has already put in many hours fine-tuning and compressing each loop to radio-ready standards, leaving you more time to concentrate on your songwriting talent. As with every Prime Loops sample pack, "R&B Beat Programmer" comes as a instant download, and is available in a wide range of sequencer-friendly formats including Acid Wav, Apple Loops, Rex2, Reason Refill, Ableton Live Pack, Stylus RMX, MPC and more. Each file within this sample pack is cleanly cut, clearly labelled, and comes with a royalty-free license - so you'll have absolutely no legal hassles while pushing your tunes from the studio to the top ten. This highly polished backbeat collection will quickly raise your projects to another level. If you're fixing to fill racks next to Alicia Keys, Ne-Yo, Usher, Jason Derulo, B.o.B., Iyaz, Rihanna and Keri Hilson, why sweat in the studio? Swerve into the fast lane with "R&B Beat Programmer"! PS: All the drum loops you hear in the demo showcase are inside this sample pack, and the instrumental parts are from our best selling releases "R&B Progressions" and "NYC Piano Sessions". You can find this release in a large number of other special formats on our website including: Ableton Live Pack (114mb) Acid Loops (180mb) Apple Loops (180mb) FL Studio (180mb) Garageband (180mb) Reason Refill (206mb) Rex2 Loops (105mb) Stylus RMX Loops (105mb) WAV + REX2 (285mb) and many, many more! primeloops.com Tags: r&b loops
