If you roll deeper than the rest, "Fingalickin' Hip Hop Grooves" is here to fill your pockets with the heaviest beats from the brighter side of the street. You'll need to grab your shades and get ready to be blinded by the paparazzi when you step outside with this suitcase full of explosive jams, each one packed with the drama to get you vibing on the spot. There's always room for progression in the scene, so Prime Loops delivers you over 200 flexible loops broken down into 17 tasty construction kits (including variations), allowing you to present the freshest attitude onstage every time. We know you crave beats with phat snares and claps, epic synths, gated chords and string stabs, with deep basslines moving your waistline, so this pack gives you all the elements you're looking for. At Prime Loops we never forget that our customers demand the highest quality, so for this pack we recruited our highly skilled producer, engineer & multi-instrumentalist Nathan "Fingerbeats" Lindsay. Rest assured that every second of every loop in this sample pack has been engineered and mastered on an international level, and triple quality checked in the Prime Loops lab, so you can be sure to electrify the atmosphere in any club! If you're aiming for a seat in first class, next to Kanye West, Jay-Z, P Diddy, Lupe Fiasco and Kid Cudi you've just found the fast-track ticket. "Fingalickin' Hip Hop Grooves" will bring out the bounce in you, setting you up for a night you and your crew will never forget. Be a part of the evolution of hip hop culture, push these loops to the limit and learn how to play with the big boys. Remember - all the samples, as with all Prime Loops packs, are 100 royalty free; meaning they can be used in all your creations without having to worry about pricey licensing costs, and you will retain full ownership of your work. Whichever way you cut it, there's an audience waiting for you in Paris, New York and London. You don't need to stand around in the queue any more, you can walk straight into the VIP room with "Fingalickin' Hip Hop Grooves". PS: Everything you hear in the demo showcase is inside this sample pack, and the vocals are from our best selling releases "Urban & Dance Vocals" and "Rasta Vocal Samples" (used by the likes of Adam F, Will Bailey and many more). You can find this release in a large number of other special formats on our website including: Ableton Live Pack (310mb) Acid Loops (361mb) Akai MPC (441mb) Apple Loops (360mb) FL Studio (361mb) Garageband (360mb) and many, many more!
