Jehan takes you into her secret garden. Rock for the 21st Century has never sounded so sensual as in this fertile garden of sounds and emotional colors. 15 MP3 Songs ROCK: Goth, ROCK: Hard Rock Details: Poetic lyrics and vocals over hard metal. In this CD Jehan exposes the heavier edge and depths of her voice alternating with the trancelike otherworldly vocalizing she is known for. Mystical, Erotic, Romantic, Gothic. A fertile collaboration between producer Mateus Kotok, Bruce Hathaway and Jehan has borne juicy new musical fruits. For rock lovers at large and for the new breed of adventurous cutting-edge bellydance rockers. The hypnotic Jehan, has performed from the grand concert halls of the west, to the temples of the Middle and Far East. She presents the passionate beauty of traditional Middle Eastern and multi-cultural music and dance in her exotic shows - dazzling the senses and sending the imagination soaring. Whether in an intimate night club or party, or in a large theatrical venue, she remains the quintessential Oriental dancer. Her unique choreography and music are inspired by the doctrines of magic, devotional ritual, world mythologies, sculpture and poetry...
