..... Dear Tradebit friend:

While this course is designed specifically for ClickBank affiliates, the principle in general works with affiliate marketing of any form. Even if you promote affiliate programs that are 3rd party or in-house, this will still work. However I like ClickBank because it's convenient, there are new products added around the clock, and you can easily pick and promote any products from any niche - all in one place. The core of this program is to learn how to build insanely profitable affiliate sites for yourself, achieve Page 1 rankings on Google in 3 hours or less... and do it "set it and forget it" style!
