Richly arranged palette of organic and melodic dreamy rock and roll in joyful celebration of Spirit. 10 MP3 Songs FOLK: Modern Folk, ROCK: Modern Rock Details: David Newman is a celebrated singer songwriter and a renowned teacher of Yoga and Spirit. He has long explored the power of sound as a healing modality and has been a pioneer for bringing Indian devotional chanting or Kirtan to the attention of seekers as a transformative vehicle of the Yoga path. His roots as a singer songwriter and role of communicator and teacher of spiritual ideals came together in the form of a CD entitled: Soul Freedom. Soul Freedom is a unique collection of songs which gracefully and joyfully invites listeners to awaken to the call of Spirit. Soul Freedom is a refreshing departure from what one would expect to hear in the genre of spiritual or devotional music. It is a richly arranged palette of organic and melodic dreamy rock and roll, which delights listeners through an elegant weaving of a timely spiritual message with exciting grooves, sensual melodies and David's very distinctive and contagious vocal style. Neither the message nor the music is compromised to achieve the final goal of Soul Freedom, which makes it equally appealing to both spiritual seekers and lovers of good music.
