Miles Jaye at his R&B best. Featuring a powerful duet with songstress Alyson Williams titled "I'll Never Go". "The Odyssey" takes us on a musical journey to fulfillment.. a soulfully, romantic, lyrically stimulating journey. 14 MP3 Songs URBAN/R&B: Contemporary urban, URBAN/R&B: Soul Details: The Odyssey is Miles Jaye at his R B best. It is a creative tour de force of soulful romance featuring Miles inimitable voice, insightful lyrics and melodic arrangements. The first title features a sexy parley between lovers titled I'll Never Go performed with songstress Alyson Williams known for her hit single Just Call My Name. Can I Come Over; Love Story and Marry Me are beautiful romantic ballads. While Man On A Corner lends itself to a bluesy country music arrangement evoking hopelessness and urgency; Free Me delivers a yearning anthem of release giving the listener an outstanding acoustic performance accompanied by guitar. Miles also gives us a treat revisiting the hit single, Wildflower and adds a little doo-wop with his performance on Step by Step. This CD is creative, innovative and absolutely enjoyable. Miles Jaye was discovered by Teddy Pendergrass and is known for his hit CDs, MILES, IRRESISTIBLE and STRONG. Like his namesake, Miles Davis, he is one of musics most gifted, distinctive and dynamic artists. Miles was also the lead singing Cop for the world-renowned disco group the Village People. As a writer, Miles has penned and recorded more than 40 original compositions and has the distinction of recording 12 different instruments on several of his critically acclaimed CDs. He enjoys a reputation as an R&B and Contemporary Jazz writer and performer, partnering with some very notable jazz giants on his musical recordings Grover Washington, Jr., Roy Ayers, George Duke, Branford Marsalis, Dexter Wansel and Nat Adderley, Jr. Miles established an independent label, Black Tree Records, and has released 4 CDs under that label. Look for his new CDs coming this Fall -- Smooth Jazz and R B nothing but the best!
