

Mp3 Clock - Through Time

Melodic, guitar based rock featuring Vivian Campbell (Def Leppard) on guitar. 11 MP3 Songs ROCK: Classic Rock, ROCK: Hard Rock Details: Clock was formed by guitarist Vivian Campbell (Def Leppard, Whitesnake, Dio), drummer Mark Schulman (Pink, Cher, Stevie Nicks, Billy Idol), guitarist Manny Alvarez (Toe), vocalist/keyboardist PJ Smith (Toe) and bassist Mark Browne (Melissa Etheridge) in 1997. Designed to be a fun side project and a musical change from their "day jobs"; the band recorded a demo and started playing live dates around Los Angeles (taking up residency at the now-defunct St. Stephen's Green in Santa Monica). Although the line-up has changed slightly over the years (with the departure of Mark Browne and Manny Alvarez and the addition of bassist Sasha Krivtsov ("Rockstar: Supernova" House Band member) in 1998), the nucleus of the band remains in tact and continues to create harmony driven, guitar based rock 'n roll.
