Unlike most of the other list building guides out there which talk only about a couple of basic steps, slapping on an autoresponder and hoping for the best, this guide will give you a detailed and easy to understand method of utilizing the right resources and taking the right steps to have a massive list of rabid, hungry buyers at your fingertips! You will discover effective techniques that top marketers love to implement such as: \* Tools needed to start off on your profitable list building endeavors! \* The main component of customer relations you'll need to know or your business will fall flat on its face \* Utilizing your list as your very own Public Relations team to announce new product launches! \* A special 'free gift' for your subscribers that is fun to read and makes them look forward to hearing from you! \* The system most marketers use to make sure their list is full of interested, hungry prospects and not freebie seekers! \* How you can still maximize your customer lists for extra profit juice even if your company is not Internet-based! \* A simple, effective way to discover if the product you're going to offer will be a mega success or mega flop \* Minor customer service boo-boos that will irritate and frustrate your prospects, and how to avoid such situations! \* Programs to help you discover if your email campaigns are a roaring success or more improvements are needed. \* The ultimate no-no of email marketing which could cause you to close shop almost instantly \* Combining email marketing and affiliate marketing for an explosion of cash into your accounts! \* Straightforward and effective methods of driving streams of targeted, hungry buyers right into those lists... And much, much more! 52 Pages 7 MP3 Audios 7 SWF Videos
