This sizzlin' platter of musical stir-fry brings you straight onto the streets of Chinatown for a taste of the Chinese ghetto. Prepare yourselves and hide the women... The Notorious MSG have arrived. 12 MP3 Songs HIP HOP/RAP: East Coast, HIP HOP/RAP: Rap Details: Raw. Explosive. Sexual dynamos. These words can only begin to describe a force of nature that we fearfully call The Notorious MSG. From humble beginnings off the streets of New York City's Chinatown, these three restaurant workers have carved a path of destruction through the music industry and will not stop until every man, woman and child has succumbed to their sizzling, orange-flavored beats. Prepare yourselves and hide the women... The Notorious MSG have arrived. This sizzlin' platter of musical stir-fry includes newly mixed and mastered tracks, some familiar and some fresh outta the oven! Also included are some tangy new sketches between the songs that'll have you wetting the bed (Assuming you don't already. For those of you who wet the bed, it is nothing to be ashamed of.) And as some extra hot-sauce on the side, 'Die Hungry' is also an ENHANCED CD, featuring an exclusive MSG video documentary that you don't want to miss!
