Gospel, Reggae, Dancehall, Hip-Hop, Raggamobb, iTunes, mp3, cdbaby, new music, indie artist, unsigned artist, reggae music artist, hip-hop music, grammy winners, 7 MP3 Songs GOSPEL: Contemporary Gospel, WORLD: Reggae Details: Churchman and Jay-Bone are members of the Reggae Gospel Group Prophecy. In 1995, while Eric lived in New York, NY he received a prophetic word from a Prophet that when he met a man by the name of Jerry there would be a divine connection and a link and hook up in the music. That prophecy came to fruition in Jan of 05' when Eric met Jerry at a men's bible study. The two were in the studio within the first week of meeting and recorded their first single "Through Faith". Prophecy has been performing at many local churches within the Bay Area, particularly for Youth Ministries. Also in 2005, Prophecy performed at the Annual Reggae festival "DREADSTOCK" along with Reggae legends Junior Reid, Barrington Levy, Earl Zero, and Tony Moses. Prophecy also performed with the Legendary Afrika Bambaataa with an electrifying show.
