

Funk Jazz Midi Loops

[DOWNLOAD HERE](#)

'Funk Jazz MIDI Loops' is a collection that features Electric Piano, Guitar, Bass, Rhodes and Wurlitzer loops in MIDI format for creating Funk Jazz, Soul, RnB and Lounge music. 'Funk Jazz MIDI Loops' consists of 5 groove-based loops and 5 "turn-arounds" or breaks that can be used as transitional elements within a composition. All of the grooves and turn-arounds are consistent across the different instruments. For example, "Guitar Groove 1" and "Rhode Groove 1" are part of the same original musical idea. 'Funk Jazz MIDI Loops' includes: - 10 MIDI Electric Piano Loops - 10 MIDI Guitar Loops - 10 MIDI Bass Loops - 10 MIDI Rhodes Loops - 10 MIDI Wurlitzer Loops - 7 WAV Drum Loops You'll get a total of 50 MIDI files included in this collection. Also included are WAV files of the drums featured in the demo which also correspond with the various grooves and turn-arounds. Each file was originally recorded in the key of E minor at 97 bpm. As these phrases are supplied in MIDI format, they will provide you with as much flexibility as possible. You can edit and transpose them, assign any sound you want and get your own and original melodic lines. The editing possibilities are endless as you can play the performances at any tempo or pitch without artefacts. You can use these MIDI files as a jumping-off point to start your own track or base your production entirely around them as they are 100 royalty free!!.
