

Mp3 Reism - Lifestyle Product

[DOWNLOAD HERE](#)

With heavy guitars, live electronic drums, dirty synths, and soaring vocals, Reism are the definition of electronic rock. 11 MP3 Songs METAL: Industrial Metal, ROCK: Hard Rock Details: The name "Reism" is taken from Reification, which means "regarding something abstract as a material thing." The music of Reism is a fusion of gothic industrial electronic rock. The combination of heavy guitar riffs, live electronic drums, dirty synths, and soaring vocals make for an interesting and complex musical experience. Reism's debut album "Lifestyle Product" contains 11 tracks with songs ranging from the hauntingly gothic "I Will Fall" to the hard rocking "Something Useful." Lifestyle Product defines and delivers what electronic rock is all about. Formed whilst at music school in Liverpool, England, Reism is comprised of 3 main members: Joe Cochrane originates from Ventura, California and contributes drums, programming and commercial-minded production. Tom Poole-Kerr comes from Somerset, England and brings guitars, programming and non-conformist producing to the process. Finally, Kirsten Jorgensen, from Skuneshavn, Norway, adds her haunting and powerful voice.
