music that makes you think. colorful, heartfelt instrumental music with a splash of mysticism. Analog, acoustic, abundant. 6 MP3 Songs JAZZ: World Fusion, CLASSICAL: Orchestral Details: **spreading the love through frequency of sound. acoustic. organic. world. beauty.** Panthelion / pan*teh*lee*yun/ noun: A temple dedicated to the worship of all Gods. Alongside an urban blend of bass and drum driven sounds lies subtle undertones of Panthelions influences of jazz and classical music. Not to be mistaken for your Grandpas favorite jazz album or a stuffy chamber music concert series, Panthelion delivers a unique, youthful, and hip sound despite such monumental roots. Panthelion shares his talents with projects such as Luna Groove, Taaraka, Hip Bones, Larry Vuckovich, Babatunde Lea and other influential musicians in the community. He has also shared the stage with well-known acts such as India.R.E., Ozomatli, Blackalicious, Ani DeFranco. Panthelion has performed at various music festivals including Eathdance, Lighting in the Bottle, and High Sierra.
