Smooth worship guitar sounds. 10 MP3 Songs GOSPEL: Contemporary Gospel, EASY LISTENING: Background Music Details: Strings of Praise is a cd especially designed for worship and those churches that do not have musicians. These churches can easily sing along with wonderful blessed music. Most of these songs are songs that have been sung for many decades and are very well known. This music can be used especially for meditation, relaxation, and worship or for prayer services. Already I am getting great comments about this cd. People have told me this cd has been a great blessing in their lives. I pray that it will also be blessing in your life also. When I play my guitar I really do it to praise my good Lord for the special talent he has given me. In this presentation you will be inspired when you hear all the interpretations. This release contains classical hymns played by acoustical guitars, and steel string guitars. I pray that all who listens to this inspirational CD be blessed in many ways. May God Bless you and answer all your prayers according to his will. Benny Muoz The Unique Musician
