Jazz Harmonica mixed in Latin, fusion in styles of Toots Thieleman, Pat Metheny, etc. 12 MP3 Songs  
JAZZ: Smooth Jazz, JAZZ: World Fusion Details: After Jeon had released publicly the first harmonica debut album in October of 2004, he was a celebrity overnight. His first album was viewed as the cutting edge of Jazz music, rediscovery of harmonica, performance from the soul, Album of the year, and more. This debut album received the award in The Best Jazz Cross-Over category at 2005 Korean Music Festival. Jeon is showing wide spectrum from jazz to latin, funky, ballad. Overcoming the blindness and become the best Jazz Harmonica Player in Korea Jeon Jeduk lost his sight and went blind due to unknown disease after 15 days since his birth. But, like so many inspirations and heroes (Stevie Wonder, Ray Charles, etc.), his music and playing represent what music is all about to us, just a simple joy! (He also just released his 2nd album "What is Cool Change" in 06'.)
