Dance-Metal-Pop-Rock-Tronica. Mixing elements of synth pop, industrial rock and house beats, this euro-pop, dance-rock project is "The Real Thing" Baby. 10 MP3 Songs POP: New Wave, ROCK: 80's Rock Details: Dance-Metal-Pop-Rock-Tronica! What the hell is that? Well, imagine if you took a computer programmer, locked him in a room and walked away for a year or two. What would you expect to find when you returned? A room full of empty red bull cans and Doritos bags surrounding a bug-eyed recluse whos busily blogging away in between 16 hour Halo marathons? Good Guess, but try again. Heres a hint: The computers stacked with recording software and the room is filled with guitars, vintage synths, samplers, effects, and records by Depeche Mode, Nine Inch Nails, New Order and the Smashing Pumpkins. Getting warmer? Dance? Nope, too many big guitars. Metal? No, too many synth hooks. Pop? Maybe. Rock? Definitely! Thats pretty much how it happened, and finally, after years in the making, The Programaddicts unveil the first record! Technology Baby brings a unique combination of rock guitars, synth hooks, dance beats and pop melodies that rock the house and make it impossible to sit still. Youve got to see it and hear it to believe it, so visit [theprogramaddictsto](#) check out the music and find all of the latest dates!
