Modern Rock with a decidedly psychedelic bent and smooth female vocals. 11 MP3 Songs ROCK: Modern Rock, ROCK: Psychedelic Details: Crafting a sound that pushes the line between fragility and aggression, Vertigo draws from many styles and influences. The group hails from Morristown, Tennessee with a rather non-local sound. They traverse the sonic spectrum from dark and eerie to energetic yet pensive, yielding a sound that is both complex and pleasing to the ear. The band's showcase is in their live show, where the interplay between vocalist Lindsey Stamey's energetic performance and the dynamics of guitarist Joel Rudnick, drummer Justin Stamey and bassist Shawn Parella is at its peak.
