A very diverse mixture of poetry, spoken word and slam. 10 MP3 Songs SPOKEN WORD: Poetry Details: My name is Patrick S. Duncan, in the world of poetry I'm simply known as " The Preacher Man". I was born and raised in Sylvester, Ga. Where I began writing poetry when I was 13. Through my poetry, I've seen first hand how powerful words can be, so I've decided to choose my words carefully. My objective with this cd is to transform listeners spirituality, mentally and emotionally, so that the person you once were no longer exists.
