From Award-winning, Grammy nominated producer, Jason Clark comes Intimate Moments Between Me You. Intimate Moments Between Me You is the debut CD of a new love song and smooth instrumental jazz CD series especially designed for couples. Let's think back for a moment, don't you remember when you first laid eyes that special someone, how about that first date when you two just sat and gazed into each others' eyes or spending countless hours on the phone, maybe not really saying much other than, "I love you and I love you, too," and sometimes not saying anything at all, but even just listening to them breathe put a smile on your face and a twinkle in your eye! Well, we all know that after you've dated for a long time or even married for a while that things certainly do change don't they! :-) But you know what, CHANGE IS THE BEAUTY OF LOVE! You see, real love is not about the extravagance in what you do, but it's about sharing those Intimate Moments in everything you do! Maybe you might not have the time or the money to take a trip to Hawaii, but how about a little picnic in your living room by the fireplace or lighting a couple of candles to go along with the pizza you had to pick up all while having Intimate Moments Between Me You playing in the background, setting the mood for love, intimacy and romance! Intimate Moments: Between Me You offers smooth jazzy grooves to R&B stylish vocals mixed with sensual rhythms that will surely help you and your lover remember your first Intimate Moments while creating new Intimate Moments both at the same time!
