Millions of adults have worked hard to change the dysfunctional patterns from early childhood programming. Now, their children won't have to. 9 MP3 Songs KIDS/FAMILY: Educational, KIDS/FAMILY: Lullabies Show all album songs: Mind Prints for Children Songs Details: The creator of Mind Prints, Dr. Janette Marie Freeman, is a mother of three and an expert in the field of personal transformation and consciousness studies. She is an ordained minister, author, dynamic teacher, and president of a national organization. She has a Masters in Religious Studies and Doctorate of Divinity and thousands have already benefited from her down-to-earth style and inherent wisdom. She is the author of *Why Did This Happen to Me Again? A Guide to Lasting Transformation* and is co-author with Dr. Wayne Dyer, Deepak Chopra and Terry Cole Whittaker in *Wake Up and Live the Life You Love in Spirit*. Her passion is inspiring people to awaken to their highest nature, and empowering them to demonstrate and express their authentic self. As a mother, Janette started making sleep learning tapes for her children over 25 years ago and felt good that they were getting eight hours of positive imprinting while they slept. They have benefited deeply from this practice.
