DO YOU LIKE ROCK AND ROLL? THEN YOU'LL LOVE EROCKTICA! Like KISS in the 70's, Eroctica is a THEATRICAL, OVER THE TOP, VISUAL LIVE act with ANTHEMIC POP METAL, yet, differing from Kiss, Eroctica is the merging of SEX and ROCK 'n ROLL in one band! Building of a Supergroup. . . Formerly known as PORN ROCK in the United States and EROCKTICA in Europe, the band changed their name officially to EROCKTICA as of January 2004 due to the overwhelming response the band received as EROCKTICA both in Europe and worldwide. EROCKTICA made their first trip over to Europe in summer 2002 where on their first tour they performed for over 3,000 people at the Oerkracht Festival in the Netherlands. Pink Snow and the band took full control over the crowd and had 3,000 fans chanting like thunder. Originating from New York City, the band performed their first FULL live show in 2000 at the legendary East Village club CBGB's, whose historical stage has been graced by the Ramones, the Plasmatics, Iggy Pop, Joan Jett and Blondie. From then on they built a loyal following in the United States from Boston to Miami and New York to LA, shocking crowds with their wild antics and pleasing with their entertaining brand of rock and roll. EROCKTICA has headlined events in the United States such as Mondo Porno Ball, Rock Candy Fest and the legendary Coney Island Sideshow. The band has also opened for such known hard rock acts as LA Guns, Faster Pussycat, Poison's CC Deville and Satanicide. Notorious celebrities, performers, intellectuals, and politicians are all among the throngs of devoted fans, participants and artists who follow the group. Soon EROCKTICA had made friends and fans all over the continent with their musical erotic spectacle before becoming an international act. In fall 2003 the band went back to Europe and due to the success of that tour, EROCKTICA teamed up with PJB ENTERPRISES based in Vasa, Finland. In December 2003 EROCKTICA returned to Finland and recorded their first full length album, Porn Again, that contains such erotically charged originals as "Naked", "Ice Cream" and "Size Queen." Now, in truly a global world,

EROCKETICA hails from New York City with strong American pride shown in their anthem "Porn in America", while working diligently with their European partners at PJB to build a mass sensation in Europe. Now, with a reality show in the works and more tour dates filling their plate, EROCKETICA has charged into 2005 with full force and are destined to become a supergroup worldwide. EROCKETICA is A Theatrical Erotic Rock Extravaganza! Pink Snow's vision of a rock-musical erotic showcase has been turning heads and inflaming passions with such show features as sexual Twister, a whipped cream fight between the girl the Tunnel of Lust, a sensual strip tease, possibly a spinning of the "the wheel of passion", or most exciting is the Pink Prize awarded... These are just SOME of the things you may see, while hearing a soundtrack of original rock anthems such as "Porn Star," or "Size Queen" played by the band. The exciting feature of the show is the audience interaction that takes place and the sexual exploitations that may occur. Left in a mystery to be unveiled, it is never certain just how far the "show" will go. The venue can be quickly transformed into a cross between a rock and roll concert, a burlesque theater, and a champagne room in a gentlemen's club. The excitement slowly builds throughout the duration of the show, and no one quite knows what will happen next. Pink Snow and the EROCKETICA dancers tempt onlookers with their daring advances and with their erotic relations that are stimulating for all that watch. Born of millennial chaos in our times of sexual awareness, EROCKETICA was formed to prove once and for all: SEX SELLS. Erotica: (adj.) Art or demonstrations intended to arouse sexual desires. Rock: (n.) Popular music played on electronically amplified instruments and characterized by a heavy beat and much repetition of simple phrases. EROCKETICA: (n.) All the above and more.
