[DOWNLOAD HERE](#)

All four sets of Mysteries, including the Luminous, on 1 CD - led by 4 different priests with beautiful background music - each complete rosary is 18 minutes of meditational prayer. 24 MP3 Songs SPOKEN WORD: With Music, EASY LISTENING: Mood Music Details: This is the long-awaited Rosary CD that Gretchen Harris has referred to so many times in the past. This is a special one because it is led by holy priests - four different priests leading each of the four sets of Mysteries (including the Luminous!) - and four different musical accompaniments depending on the mood of the Mystery. Gretchen does the responses and announces the Fruits of the Mysteries to add to the meditational experience. Each Rosary is about 18 minutes in prayer, and they are all included on one CD. Says Gretchen, "I am so blessed and honored to pray with each and every person who buys this CD. My heart and soul is with them, and I feel this privilege very deeply." This is a wonderful gift for people who pray the Rosary and for people who would love to learn how to join in this beautiful prayer!
