With eCoverBlackPack Create Graphics For All Of Your Websites! Obviously, the first and fastest thing to do is add graphics to all of your websites using your new action scripts package. Just download your action scripts and youre off to the races creating graphics forever! Sell Graphics To Other People! As you get comfortable using the eCoverBlackPack action scripts, you can also create graphics for other people and sell them this service at a premium price! Think about that! Collect high graphic design fees without even being a graphic designer! Do A Yearly Upgrade To ALL Of Your Websites! This is a big benefit that most people just dont think of doing (mainly because of the cost). Do a complete overhaul on your websites every year by creating new, updated and fresh graphics to keep your business up with the times. Can you imagine how much more money your sites would make every year with new graphics? Just Save Money! If all you did was create ONE set of graphics for your website using the eCoverBlackPack Action Scripts package your purchase has already paid for itself! Every other graphic you create OR sell is just additional savings and profit!
