Top Document Publisher Reveals The Secrets To Dominating Google And Generating An UNLIMITED Amount Of Free Targeted Traffic To Your Website, Blog, Or Affiliate/CPA Offer Using Scribd It's No Secret... I have been using Scribd to dominate various niches for over 2 years. Many people know about Scribd, but very few know how to utilize it effectively... Only my wife gets to tell me what to do... Not some Squidoo or EzineArticles moderator. The great thing about Scribd is unlike EzineArticles, you can place links where you want, insert images into your articles, and get the article published instantly. As for Squidoo... well, we all know about Squidoo's new policies. It's time you learn how to take full advantage of Scribd and it's Google PageRank of 8 to get your articles into the top 5 in Google practically overnight. INTRODUCING... Here Are Just Some Of The Things You Will Learn In This Brand New Step-By-Step Video Course: *Finding Quality Content Related To Your Niche And Rewriting It Quickly Using A Free Online Article Rewriter *Creating Documents Using Open Office (or you could use MS Word) *How To Fully Optimize Your Documents For Massive Search Engine Exposure *How To Protect Your Documents From Content Thieves *How To Get Your Documents Indexed Quickly *Using Your Publisher RSS Feed For Backlinks And Traffic *Effectively Tagging Your Documents *Getting Your Document Into The Top 5 In Google And Keeping It There *Maximize The Click-Through Rate To Your Website Or Affiliate Offer *And Much More... The best part about this course - no keyword research. That's because we are using existing content and rewriting it. Is this ethical? You be the judge... All I know is most of the articles that I've rewritten have been indexed well ahead of the "original article" using the same keywords. Unlock The Secrets To Getting Massive Traffic Using Scribd... Master Resell Rights!
