Hard Techno/Industrial Metal from Canada; think along the lines of KMFDM, Bile and Marilyn Manson 11 MP3 Songs ELECTRONIC: Industrial, METAL: Industrial Metal Details: MDM's second full-length CD, "Dawn of a New Order" is considered to be their "style-defining" album. Crossing over from post-industrial metal into techno/trance grooves, this album set the stage for "Unified State of Aggression" and many albums to come. Sweeping synths, stabbing 303's as well as their signature abrasive guitars makes this album a necessity for any MDM fan's collection. The lyrical content spans from satirical to aggressive to just pure animosity allowing for a wide range of listening pleasure. For a full bio on MDM visit the "Unified State of Aggression" page.
