===== INTRODUCTION - WHAT ARE THESE FREQUENCIES ABOUT? How can Saturn mess you up? A medical astrologer would say something like; "Contracting, slowing, binding, restricting, hardening, devitalising, cold and dry, melancholic The lower legs, ankles, circulation, pineal body. The knees, bones, teeth, skin, joints, hair, parathyroids, right side of the body. But then it gets REALLY messy; (Note I am NOT a Rosicrucian nor do I subscribe to their ideas, but the notes astrologically information wise are in my opinion objectively sound, reference wise)

And the first Amethyst some..and then I got going on this new music-track of mine that I posted about yesterday... I started out with this calm, powerful feeling, and got into a lot of problems, that I solved... Im usually to impatient to endure such an amount of resistance without giving up..and get side-tracked. I got a very strong physical reaction at once from the first in the series, over the scalp and neck.. all the new ones do that to some extent. Zangsta J_S --- On Tue, 11/25/08, Kat King To:

the_sound_of_stars@yahoogroups.com Received: Saturday, August 28, 2010, 3:08 PM I am getting lots of benefit from listening to the Saturn Shield freqs now. As the full moon was conjuncting my own natal Saturn, I just naturally reached for them. Benefits: Clearer thinking, reduced fatigue, able to follow patterns, generating structure and working within it, much greater focus. I am playing the Saturn and FinVit freqs (FinVit is a real boost now with Jupiter and Uranus conjoined in transit and their

entrance into Aries after Pisces. I hope Doc you won't mind me sharing a good article about this Mercury Retrograde period and its much larger significance to us all. Just good info we all can use: aquariuspapers.com/astrology/2010/08/mercury-retrograde-in-virgo-in-august-september-2010---beginning-the-adventure-despite-the-inadequacies.html I for one will be using Saturn Shield and Financial Vitality through this time, as I have some strong personal planet connections during this time. Don't forget Saturn Shield, folks. It rocks! Kat
