Spirit filled Christian music 9 MP3 Songs GOSPEL: Contemporary Gospel Details: Welcome Saint's! Rodney Neely And Vision is an extension of Vision Music Ministry, Inc. Our mission is to deliver God's Word through song, seeking to win lost souls for Christ as well as to encourage the believers to just hold on. For we know that troubles don't last always. At a very early age, Rodney was blessed with the gift of music to play the bass guitar and drums. He learned from his father and brother. Growing up, he played and sang for several choirs and groups and has been in concerts with some of God's most anointed singers. The list includes Kirk Franklin, Dottie Peoples, LaShun Pace Rhodes, The Canton Spirituals and many more. After playing for other artists, God blessed him with the "vision". So, it is our duty to help carry it through. Vision is blessed to have a group of Spirit-filled singers and musicians. Vocals includes, Rodney's wife, Jennifer and daughter, Destiny; siblings, Mattie Campbell, Willie Neely, Debbie Arnold, and Wanda Mitchell; nieces, Allyson and Kayla Zachery, Joycelyn and Jacinta Campbell, and Sheniqua Neely; nephews Jameson Arnold and Jeremy Neely. The musicians are Alonzo Henry, keyboardist, Willie Neely, organist, Abraham Bordeaux III, drums, Steve Fair, lead guitar, and Rodney Neely on bass. These dedicated members of the group have been singing for many years together in the church choir. Fortunately, it didn't take long once the "vision" was revealed to Rodney, to find his members. We pray that someone will be blessed by this project and may it impact the lives of the listeners as they receive the message it contains. For the time is NOW, to "Give your life To Christ", because He is all we need, Vision Music Ministry, Inc
