The Qadim Ensemble plays music inspired by traditions of the Near East, bringing the richness and beauty of these ancient melodies to contemporary audiences. Their repertoire includes Arabic, Jewish, Turkish Sufi, Hebrew-Yemenite,Armenian, Greek and Moroccan music, celebrating the common musical and spiritual heritage of the region's ancient cultures, while also honoring the great diversity found within them. Acclaimed for their passionate performances, Qadim is comprised of an ensemble of accomplished and acclaimed musicians. The San Francisco Bay Area-based group has attracted a growing global audience who are responding to their authentic musicianship and timely message.
