

# Mp3 Pat Montes - Thinkin' 'bout You

[DOWNLOAD HERE](#)

a traditional country album, full of sassy steel guitar, raging fiddle and honky-tonk piano two-steps, ballads, line-dancing tunes 12 MP3 Songs COUNTRY: Traditional Country, COUNTRY: Modern Country Details: If you are longing for the days when country music albums were not pure fluff, then you will enjoy this CD. It contains songs from Top 10 hit songwriters, which will make you wanna take your partner to a honky-tonk for some dancin' and cold beer, or cuddle with 'em next to a fireplace with some fine wine. Thinkin' 'Bout You is a refreshing, sincere album with a man who is destined to become the voice of the next millennium. The album features true country instrumentation and would be a welcome addition to any true country music fan's collection.
