

Songbirds Behind The Farm, Sounds For Relaxation Mp3

[DOWNLOAD HERE](#)

The forecast called for a thunderstorm, but the rains never came. Instead, it turned into a warm, humid Spring afternoon on which robins, cardinals, warblers, blackbirds, doves and other birds sang amidst the peaceful ambience of a pond behind a farm. This soundtrack tells an interesting story, as different sections of this recording are dominated by different birds. A pair of Canada Geese enter the soundscape (with a splash) midway through and assert themselves, and bullfrogs and treefrogs make guest appearances as well. Approximately half an hour long.
