Sounds strange... but For the past year I have consistantly used the same system to grow many of my lists and sales... For over a year... I have done the exact same thing... I haven't messed with Facebook... I haven't messed with Twitter... Why? Well... It's not because they are not viable sources of traffic and sales... but... For the last 4 months I have averaged over \$30,000 every month... and no... I'm not going to waste your time or mine... with more screens shots... it doesn't help you out at all... It just makes me feel good ;) "I Had To Do A Little Test..." So I had to use my brother as a guinea pig on this one.. just to prove a point... Can you believe he wouldn't allow me to use his picture... what a wuss ;) Anyways... Back in January of this year... I gave him a little 7 day plan... that would take him a total of 3 to 5 hours to complete... for each niche he choose... He didn't do squat... which is typical... he's a mechanic by trade... He has had luck on Craigslist in the past.. so he wasn't a total computer noob... but he just wouldn't get to work... "I Enticed Him With A Little Wager..." So, I finally had to place a little wager with him to give it a try... I bet him he would make a profit within 7 days... He laughed... I placed a \$100 bill in

his hand... I also slipped in a few words I can't write here... but needless to say His reply... Game On!... I knew... in the end... he wasn't going to give the \$100 back either way... but it did get him going... and his results damn near suprised me... which you already saw above When he sent me his results... I called him up and asked him what his regular JOB was paying him... He said... just about the same... So I just doubled his income... and what did I get for it? Not a thing... except... helping out my brother of course... and "He Buys The Beers NOW!" So... what the hell did I mean by... "You Already Know How to Do This!" I mean...
