"In the Evenings of Regret".... sounds like the score for an indie film that you've never seen 6 MP3 Songs
ROCK: Psychedelic, ROCK: Instrumental Rock Details: Grace Cathedral Park formed in the winter of 2002 as a collaboration among nine people wanting to create something beautiful and inimitable. Their debut album, "In the Evenings of Regret," is, in a word, stunning. They do not dwell or dominate, but tiptoe gingerly, then sweep grandly, swallowing up listeners. The band has been compared to Mogwai, Low, Sigur Ros, Godspeed You! Black Emperor, and Explosions in the Sky. Like those bands, they will catch you off guard with epic-length songs that simmer just below the surface before swelling into arresting climaxes. "In the Evenings of Regret" consists of only six tracks, but clocks in at an impressive 77 minutes of music -- a tremendous force underlying the seemingly fragile casing.
