Discover The 10 Quick & Easy Steps To Becoming A Web Graphics Whiz Even If You Cant Currently Tell A Pixel From A Bitmap... PLUS - If You Order Today You Also Get Full Resale Rights To This Product And Website So You Can Sell It Yourself And Keep Every Single Dollar You Make! Hi, Im Louis Allport, If youre creating your own web sites, selling on eBay, creating ebooks, or even just sharing private photos online with your family, chances are youre working with graphics. You know what Im referring to when I say graphics, right? Not text - like this - but a graphic (like the header at the top of this page). Graphics online come in all shapes, sizes and colors ... theyre as much part of the web as the alphabet! Now, maybe youre a dab hand at working with graphics. If you are, this letter really isnt for you. However -- if youve never worked with graphics before, are new to working with graphics, want a refresher course, or just want to improve your webmaster skills, read on... 10 Quick Steps To Becoming A Web Graphics Whiz... Ive put together for you ten very quick and easy steps that are guaranteed to make you very confident working with web graphics of all shapes and sizes. Youll be able to create your web sites quicker, make them look even better, help to sell more of whatever youre selling online, create even better looking eBay auctions ... even perhaps rent out your graphics services for a fee! Not sure if these ten quick steps are for you? Then take this following quick quiz. If you dont know the answers \*instantly\*, then grab a copy of this product today and youll get all the answers: Which is the best type of graphic to have on your web site - a Bitmap, a Jpeg, or a Gif? Which graphic format is the highest quality? How do you make your web graphics quicker to load? Whats the easiest way to take screen grabs? Why would you want to crop your graphics? Why could the number of colors a graphic has be a problem? To get the answers to all those questions, grab a copy of this product today... Ive bundled these ten quick and easy steps for you into a product called How To Master Web Graphics In 10 Easy Steps: This product comes in the form of eleven very detailed and in depth coaching videos coming to a total of ninety-eight minutes. Heres a quick run down of each of those videos, complete with a mini screen grab of the video (in this product youll even discover an easy way to create your own screen grabs to add to your sites and

ebooks): Video One (3 Minutes) In this video Ill reveal where to download one of the most powerful and 100 free image editors available. Video Two (25 Minutes) Here youll discover probably the most important thing of all when dealing with web graphics: The three main graphic formats, how to convert between them, and why choosing the right graphic format can boost your online sales. Video Three (9 Minutes) In this video Ill show you how, why and when to crop your graphics to make them look even better than they already do! Video Four (3 Minutes) Here Ill show you how to rotate and flip your graphics just like Ive done with the graphic on the left. Video Five (11 Minutes) In this video Ill show you the easy way to make your graphics bigger or smaller whenever you want. This is the same powerful tactic Ive used with these video screen grabs to make them fit nicely on this page. Video Six (12 Minutes) Here I talk you through why the color count of your graphics is so important, and how and why to higher or lower your color count from time to time. Video Seven (9 Minutes) In this video Ill show you how to quickly and easily apply amazing effects to your graphics to help you stand out even more on the internet. Video Eight (8 Minutes) Here Ill show you probably the easiest way to take screen grabs (also known as screen shots) of whats happening on your screen ... if you create any kind of tutorials, sales pages, or ebooks youll find this technique incredibly useful and surprisingly easy. Video Nine (7 Minutes) In this video Ill show you a very easy way to add text to your graphics so you can have captions wherever you like. Video Ten (7 Minutes) Here Ill show you a real time saver - how to do batch editing and batch conversions to graphics. Ill talk you through exactly how I automatically convert thirty graphics from one format to another with just the click of a button. Video Eleven (4 Minutes) In this video Ill show you how to apply some great color effects to your graphics. For PCs Only - Not For Mac I must tell you that this eBook only works (to my knowledge) on PCs. If your computer is running Microsoft Windows, you wont have any trouble at all viewing this eBook successfully. However, if youre on a Mac youll more than likely have trouble viewing it.

A Great Product + Resale Rights = BIG Profits For YOU Im sure you know theres a ton of eBook resale rights around these days. BUT - if you really want to make money selling an eBook you have rights to, you need: A very high quality product. An effective sales letter. A professionally designed website with great looking graphics. Now - this eBook is brand new. Get a copy now, start promoting it immediately and youll make the most profits. Wait a day or a week or a month, and literally more and more profits will pass you by.
