for the Spirit II It was a fateful phone call with SARK one afternoon that brought this magical music into my life. As SARK and I were musing about life, business and the challenges of finding balance in it all she mentioned that Karen had sent in samples of her music and I should have a listen. I put the CDs in my car to make sure I would indeed get the chance to hear Karens work. The next morning on the way to work I discovered I was in for a treat! Karens CD is full of songs that will lift your spirit, make you laugh, and have you singing along. I listen to it often on my way to and from the office.
