Pop with a country feel; picture Sheryl Crow joining the Dixie Chicks with a little bit of Norah. 9 MP3 Songs POP: Folky Pop, COUNTRY: Country Pop Details: "Blue Day" is Fran's latest CD and contains songs that have a county/pop flavor to them. The legendary producer Phil Ramone left his mark on three of the songs on this CD 'The Last Time', 'King of Sensitivity' and 'Temporary Sanity'. Mark Christian gathered Lucinda Williams touring band for the recordings of the chixified 'Blue Day' and 'Broken Heart'. 'I'll Be Loviing You' replaced a Norah Jones song on the Dawson's Creek Season V DVD release and many fans have been writing to Fran looking for an MP3 of the song. Fran is very busy writing more songs for her next CD. In the meantime, she hopes you enjoy "Blue Day".
