So simple to apply even a newbie can do it!.. At This Very Moment There Is An Endless Supply Of People Sitting Around Waiting to Give You Money!.. New Video Series Reveals Help People Out With What To Buy And Earn A Handsome Commission For It!.. No Hard Selling, No Product Of Your Own An NO Risk! If you have ever tried to sell anything online before, you know that it can be pretty tough to find people that actually want to buy what you are selling. As much as internet marketers will try to convince you, selling online is not as easy as it looks! So what is the secret to being successful?.. Answer: Finding the right place to sell of course! Yahoo Answers is a very popular website where virtually anyone can go for free, and ask any type of question they can think of. Experts then chime in with answers. So here's the catch: There are countless numbers of people going on there each and every day saying "I have a problem with X, what should I buy to fix it?" Now just imagine for a second that you are an affiliate marketer who specializes in selling a product for those struggling with a "problem with X", you've just found a person that is ready to make a purchase. I couldn't imagine a better marketing opportunity! This is why I created Answer Marketing Traffic. It will take you by the hand and show you step-by-step how to profit from Yahoo Answers. This course is for new and advanced marketers alike, as it will take you through the entire process of how to find a market on yahoo answers, and start making sales. There is a right way and a wrong way to market on Yahoo Answers. I don't want to see you wasting your time doing things the wrong way, that is why I created this video training series. Let me reveal to you what's inside this new video series.. =====

Video #1 - Introduction To The System To start us off I'll introduce you to the system. I'll give you a quick run through of the site, how it works, why it works and what your mindset should be once you join. The last thing you want to do is blast your links all over the site! This will only get you banned and frustrated. Do it right from the start to save yourself a headache! Video time: 2:43

===== Video #2 - Why Should You Care? Okay, so you may be thinking.. 'this is just another website that I could make money with but I'll take a look and experiment with it later..' but you'd be wrong to think this! Watch this video and I'll

explain why it's worth getting into now rather than later and how it can provide a good supplementary source of income for many, many years! Video time: 2:29

===== Video #3 - The 'Gold-Mining' Tactic In this 6-step process I'll show you what you should be doing to get the most return for your time and effort. Even though you can do this for free, you will want to do it the efficient way to save you time so you can progress and work in other niches! Video time: 2:17

===== Video #4 - Finding A Profitable Niche Choosing a niche to stick to can be hard enough at times, let alone finding a profitable one! In this video I'll go over the criteria you should be looking out for for a profitable niche. The last thing you want to do is work all day posting links and promoting an affiliate program that no one will ever buy! Video time: 4:35

===== Video #5 - Choosing An Affiliate Product Whilst some affiliate products sell well in the search engines, or in PPC, some will not, and this is true for Yahoo Answers. Watch this video to learn how to pick and focus on the one's that will make you the most money! Video time: 5:59

===== Video #6 - Setting Up Your Website In this VERY IMPORTANT video you will learn how to hide your affiliate links on Yahoo Answers through setting up a redirect. Don't worry, it isn't as hard as it sounds and I will show you exactly what to do and how it can save you \$100s in commissions! Video time: 7:47

===== Video #7 - Finding The Best Questions To Answer In this video you'll learn how to get the most money for your time. I will show you how to find the best questions that will lead to a higher percentage of sales. The more sales you can make, the more profit. The more profit, the more you can expand into other areas! Video time: 4:02

===== Video #8 - Writing A Profitable Answer Follow along with me as I show you what makes up a profitable answer, and how to convince your audience that they absolutely "need" to buy your product. This is what makes the difference between a casual marketer who says 'yes I tried Yahoo Answers and it didn't work for me' and a pro marketer who says, 'yes I'm using Yahoo Answers to bring in another stream of income on a regular basis'. Video time: 4:29

===== Video #9 - Becoming

An 'Expert' In this video I'll show you how to become an expert in the eyes of your readers. Expert status increases your chance of getting your answer picked as a 'best answer' keeping your affiliate links at the top of the pile! Video time: 1:32

===== Video #12 -

Conclusion After watching all the videos I'll give you a mind map of where you should be going.
