

Mp3 Igor - Prince Igor

[DOWNLOAD HERE](#)

SMOOTH AND SILKY SAXOPHONE. This album is mainly Smooth Jazz in genre, but it also blends many other musical influences. 16 MP3 Songs JAZZ: Smooth Jazz, EASY LISTENING: Mood Music Details: IGOR's musical style has been called, melodic, silky and smooth. It is the passion for his music made him one of the best Instrumental Recording Artists in Australia. It's been over 15 years since IGOR exploded onto the Sydney music scene as an in-demand touring saxophonist with Top Australian and International Artists. Since then, IGOR has fast established a reputation of being one of the country's most versatile and sought after musicians with his albums achieving gold sales status. Over the years IGOR shared the stage with names such as Pink Floyed, TCB band "taking care of business" (This is what Elvis Presley called his band), Brandford Marsalis, Modern Talking, Ken Davis and more. The 16 track album full of passionate melodies and smooth grooves. It features guest appearances from David Moyse (ex Air Supply) and some of IGOR's other musician friends. If you like to listen to the Smooth and Silky Saxophone, "Prince Igor" will be the one for you.
